

Vehicle Photos Operations – 90% Automated

\$245

DealTimer introduced **Innovative Camera-Photo** operations technology, where, even the Vehicle Cleaning Person can take photos. **Just Click the Camera, and rest is automated.** No Need to Login to Vehicle System. Even Stickers are printed Automatically! With 90% Automated, it only takes 4 to 5 hours/month for 100 new and used vehicles for a cleaning person!

No Need to login into System

Paying \$15 to \$20/vehicle?

AutoUpload from Camera

Pulls DMS Inventory

Minimizes Photos

Prints Guides

Peel of Stickers

Distributes Photos

Supports 15+ Sites

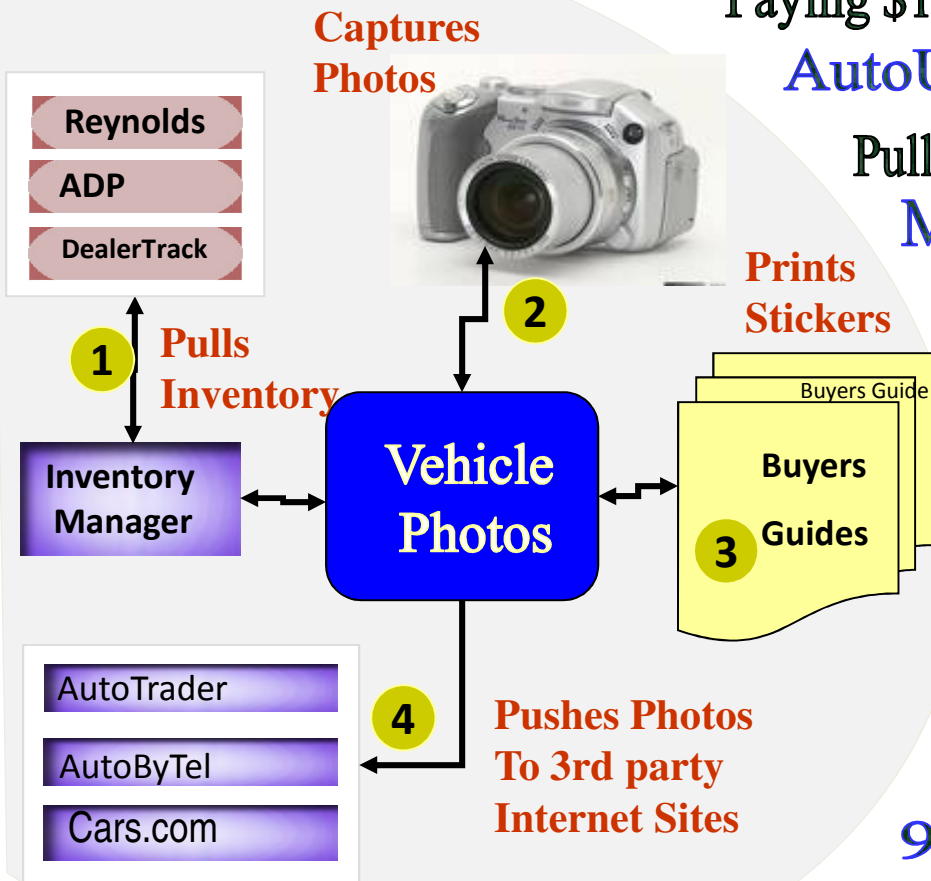

New Vehicle Photos too!

Hosting Included

90% Automated

100% vehicles w/photos

Photos on Same Day

Powered by DealTimer.com

Now Used Car Managers can save over \$2000 per month on photos. Technology is so much automated, the Vehicle Cleaning person has to spend only 2 minutes to click the camera and rest is all automated! The entire automated solution costs only \$245/month vs. paying over \$2000 for 80 used car photo operations!

To discuss more on semi-automated operations and related processes, please do not hesitate to call. Jay Maddireddy at 404-375-7859 or send an email to jay@dealtimer.com.
